On Saturday, March 2nd, the first round of the 2018 VWMA Drag Racing Series will return to South Coast Raceway near Portland Victoria. Sponsored by VW Heritage, the VW Drags will be held in conjunction with a round of local Track Championships.

There will be 3 brackets for VWs - Air-Cooled, Water-Cooled, and Other (Special, Bodied, Other Engine). Drivers have a choice of entering the VW bracket racing or being a part of the open Track Championship bracket if eligible.

If you're looking for more runs, there is also an opportunity to compete in the Friday Night Street Meet. Details may be found at www.southcoastraceway.com.au

If the Street Drags aren't your thing, a Coffee and VW's gathering will be held down by the waterfront near the Maritime Museum from 5pm until late, Friday night. A BBQ for VW drivers and guests will be fired up later in the evening.

On Sunday, March 3rd, an event for those with dune buggies will be held at Swan Lake, a few kilometres west of Portland.

VOLKS ENTHUSIASTS CLUB CALENDARS STILL AVAILABLE

For Volksfest last year some of our club members put together a great calendar for 2018 featuring a wide range of member's Volkswagens in full colour and most of our important dates for this year.

As an enthusiast this is just the thing you need to have hanging in your office or workshop. Each month is a full size page so there's plenty of room to list those important dates you shouldn't forget

We still have some left at just \$10 so pick one up at the next club meeting (February 7th) or send an email to info@vecsa.com.au for mailing information.
